FAIDA ELIMU INSURANCE PLAN

I WANT MY CHILD TO GO FURTHER THAN I EVER DID...

This is HOPPY.

He is the happiest rabbit in the whole world. He loves to hop all day long and never gets tired.

He lives with his mummy, Mrs. Hop. A lot. He does not have any brothers or sisters so sometimes Hoppy gets lonely.

...WITHOUT ANYTHING LIMITING THEIR DREAMS.

Every parent carries this quiet promise in their heart. But the journey is not always predictable. School fees rise. Life happens. Income can change, responsibilities grow, and unexpected moments test even the best-laid plans. That is why planning for your child's education is not just about saving, it is about protecting progress.

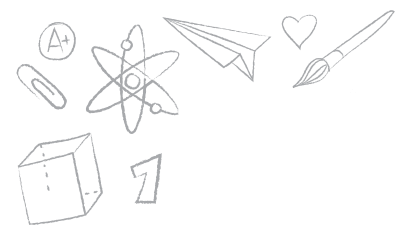

WHY CHOOSE THE FAIDA ELIMU INSURANCE PLAN?

FLEXIBLE PREMIUM PAYMENTS

- Premiums to the fund start from as little as KES 5,000 per month or a single premium of KES 100,000.
- Premium payment term is aligned to the policy term (5 – 15 years).
- Choose your preferred frequency: monthly, quarterly, half-yearly, yearly, or one-off single premium.
- Make additional top-ups at anytime to boost your savings.

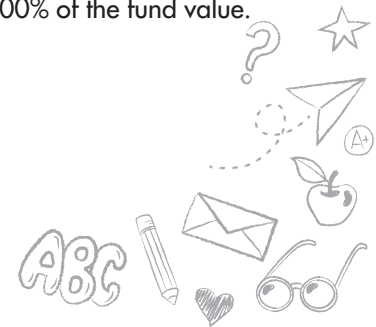

EASY LIQUIDITY

- Partial withdrawals of 10% per policy year are allowed after 2 years.
- Full withdrawal is allowable from the first policy year.

ADEQUATE PROTECTION

- **Last Expense Benefit:** A fixed amount of Kes 100,000 will be paid to your named beneficiary in the event of death, within 48 hours of submission of required documents, to cater for your burial expenses.
- **Waiver of premium:** In the event of death or Total and Permanent Disability, all future premiums will be waived and the policy will remain in force (except for single premium policies)
- **Maturity Benefit:** 100% of the fund value.

Because when education is secure, children can focus on becoming who they are meant to be and not worry about what might stand in their way.

When you plan with intention, its not just school fees you pay. You build legacy. You preserve dignity. You provide opportunity.

So, your child can go further than you ever did, **without anything limiting their dreams.**

ATTRACTIVE INVESTMENT RETURNS

- Competitive investment returns managed by seasoned professionals.
- Your money grows steadily over the years, maximizing through the power of compounding.

The unexpected demise of a parent can put a full stop to your child's dreams and aspirations. If this unfortunate event happens, your child is either transferred to a more affordable school or pulled out of school altogether.

Jubilee Life's Faida Elimu Insurance Plan mitigates against this from happening and ensures your child's education stops for nothing.
